Barium Messenger

VOL. 32 | BARIUM SPRINGS, N. C., JULY & AUGUST, 1954 | NO. 8 & 9

Vacations Are Ended . And the Work Goes On

Continuing again the unit plan of vacations where every one leaves the campus at the same time, the place was made desolate in the early part of July, leaving only nine children on the campus. Buses and cars going in every direction carried the happy children away for the three weeks vacation time. Then on July 21st, the day of returning brought happiness on the part of those to see their friends again and homesickness on the part of those who were longing for their happiness of the days they had just left. It did not take long, though, to get adjusted anew because the work was standing ready for all. The laundry had to begin at once to take care of the soiled clothes. The farmer had his summer crops to attend to and the ensilage corn to cut along with another cutting of hay ready. The campus maintenance which had absorbed so many of the boys in painting and repairs before vacation began anew with a full start right after the group arrived. The orchard crew found that the hot sun had the peaches ripe and ready for gathering, and the beans were ready to can, and some of the apples were beginning to need attention. The dairy boys found that the pasture fences had to be looked after and that some

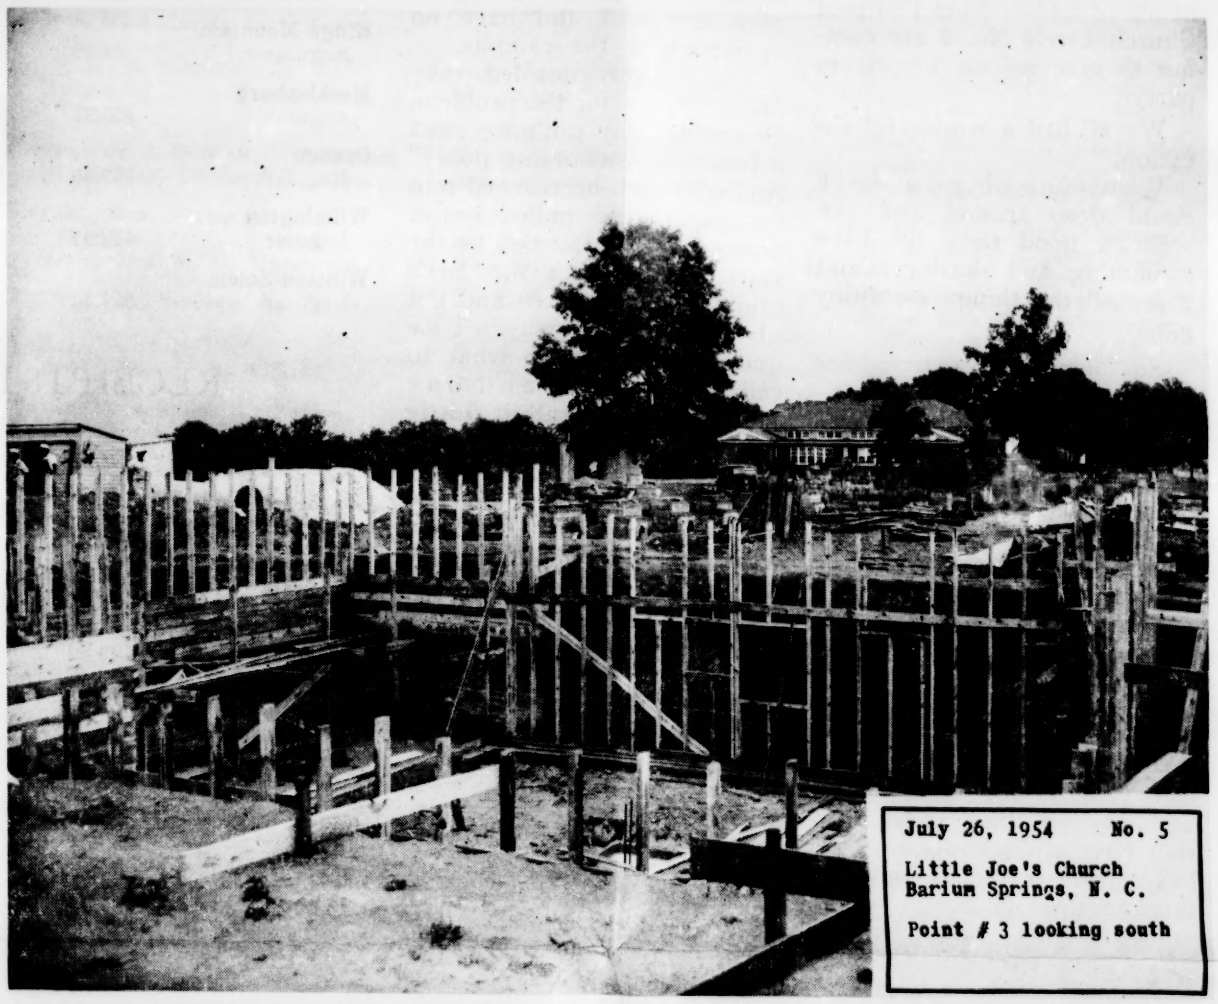
WORK ON THE CHURCH IS PROGRESSING



July 26, 1954 No. 5
Little Joe's Church
Barium Springs, N. C.
Point # 3 looking south

With the foundations poured and the floors ready to be poured, the contractors are making headway on the Church. Soon the piles of brick stacked around the building site will be a part of the walls rising into the air. Running a little behind schedule because of some hold-up on steel and pipes, the contractor feels that in the next few weeks he will be able to make a particularly good showing as the rest of the materials are in hand.

The picture appearing in this paper shows an early view back in July. Much progress has been made since then and greater progress will be made throughout the fall. It is the plan of the Home to have this building ready for the meeting of the Synod of North Carolina in July of next year. The contractors have guaranteed it to be finished and ready for that service. However, it is hoped that in good fortune it may be finished in time to hold the graduating exercise in the middle of May in the Church.

Collins Accepts Call to the Church

The new pastor of Little Joe's Presbyterian Church will be The Reverend Robert Rives Collins from Sylva, N. C. The congregation met on August 8th and extended the call with the membership voting unanimously for the new minister. The members of the Board of Regents had also unanimously approved the calling of Mr. Collins. Thus in the joint effort of the Home and the Church in the securing of a pastor, the people of Barium Springs have been made mighty happy to know that the new pastor will soon be in the Manse.

Reverend Robert Collins is a citizen of Asheville and a graduate of the University of North Carolina. He took his Theological training at the Union Thelogical Seminary in Richmond, Virginia, and then took up his work at Sylva as pastor of the Church there. Mr. Collins was recently the moderator of his Presbytery and at the time of the call was the adult advisor for the Young People of Asheville Presbytery and Director of the Presbytery's Conference. Mrs. Collins was the former Jane Caudell of St. Pauls, a graduate of Flora Mhcdonald College and the Assembly's Training School. Mrs. Collins has been a teacher and a director of Religious Education.

This splendid couple seem unusually well qualified to serve the needs of the membership of the church of Barium.

The manse is being made ready for an early September arrival of this couple.

Boys Busy In Football practice

On August 16th the call went out from Mr. R. G. Calhoun, the principal and coach of the high school, for all the boys interested in football. Each day, twice a day, this group will be assembled to get in shape for the opening game. Mr. Calhoun, assisted by some of the former students, who will be playing college football this fall is working his cohorts into shape. Graduation always leaves a big hole in the Barium line-up, but then the eagerness of the boys to play and the ability of the coach to fit them in always results in a strong team ready for action.

In the practice sessions it is too early to tell what the hopes are for the coming year, but with a number of the regulars accustomed to their assignments and with some heavy replacements, the prospects for the year's outlook is good.

Many New Children Arriving At Barium

A large number of boys and girls from all sections of the State have come to Barium Springs to be a part of the big family.

From Yanceyville, Burlington, Hillsboro, Kings Mountain, Gastonia, Belmont, Charlotte, Concord, Spring Lake, Raeford, Wilmington, boys and girls ranging in age from three-year olds pre-school to those who are in the eighth grade are making ready for their first year in school at Barium. A roll call of the group shows the following to be present. Douglas Finley, Billy Finley, Buddy Spencer, Mike Heritage, Chick Heritage, Mike Morgan, Lois Allen, Charles Allen, Jane Webb, Connie Webb, Barbara Webb, Wilma Bush, Priscilla Bush, Thomas Gleen Bush, Woodrow Wilson Bush, Jr., Sylvia Louise Bush,

HOMECOMING
IS
OCTOBER 1st.

Swim Or Not To Swim

"What are we going to do about our swimming pool?" said one of our school boys, "I hear that the Health Department is about to close it down." As the group gathers in to hear the reports on the favorite spot on the campus, the superintendent reported the facts. The swimming pool, having served for nearly thirty years, is almost beyond repair. The water goes through the cracks in the bottom and out the side and it is difficult to keep the pool full. As serious as this is, it is not the most vital part. The engineer from Raleigh inspecting the swimming pool, shook his head with grave concern. The water is pumped in until the pool is full and then used for a week's time and drained off and refilled. No filtering sys-

Quads

The older one gets the faster time seems to fly by. It seems that only a few short weeks ago we were getting out of school for our summer vacation. Now our vacations are over and the summer is almost gone. Still, no matter how fast time travels, we must always account for the time. Many things have happened this summer: Mrs. Martha Ramsey known about the campus as "Ma" retired and left us the first of July. We will always miss her here at Barium, and we only wish that we could thank her enough for what she has done for us. Miss Pope, Mrs. Ritchie, Mrs. Hager, and Mr. York are now living with us.

Looking ahead now we see

Cottage News

(Continued From Page One)

the beginning of football just around the corner — in fact it starts the 16th of August. Any of our old "orphans" who wish to get their heads knocked off, are welcome to come back for a few practice games. We are not planning on a big squad, however we do plan to have a good team. We expect to see our "four horsemen" cross the goal line many times.

Before long school will be starting, then Christmas, and finally graduation. But wait I am getting a little ahead of myself.

You know Statesville built a new swimming pool this year and lately the boys have been to it a lot. I have not yet been convinced that their only interest is water.

Well, I hope every one had a nice time this summer I sure did.

—Leroy Norman

Syncds Cottage

Hello there,

Vacation is over for most of us. We had a good time at home with our parents, friends and others that we love. Two days after we we got back, we went to the show "Hans Christian Anderson." It was good and we enjoyed it lots.

One of our big girls, Elaine Pursley, did not return from vacation. However, we have five new boys living at Synods. They are Billy Finley, Chick Heritage, Charlie Allen, Tommy Bush, and Leon Waters. We are glad they have come to live at Barium and we hope they will be happy.

One day we were invited to Statesville to a carnival. It was lots of fun. We rode everything and then we got refreshments. We were tired when we got got home but a good time was had by all.

School will be starting soon and we will be glad.

— The Wiggles

Jennie Gilmer Cottage

Hi! It's been a long time since you've heard from us.

A lot of boys have just moved to Jennie Gilmer. Five moved over Aug. 2 and a new boy just came to Barium Springs. His name is Buddy Spencer. We are glad to have him.

We are looking forward for Thursday. Why? Because a group of Ladies from Prospect Church Circle No. 4 are coming to give us an ice cream party.

We all had a wonderful vacation.

Wish some of you folk could drop around and see what a good time we have swimming and skating. Can't name all the things we enjoy doing.

So long for this time. See you again.

—Jinnie Gilmer Boy's

Annie Louise Cottage

Hello There,

Here we are back from vacation. We had a wonderful time but we are glad to be back with our friends.

Since we've been back from vacation we have recived one new girl, Lois Allen and have a hunch that we'll get some more.

Recently we little girls have been trying to copy the acrobats on "Big Top." Now they have a few knots on their heads from trying to stand on their hands.

In spite of the dry weather we've been enjoying a plenteous supply of delicous peaches.

We are anxious for school to start and are all hoping to make the honor roll during the coming year.

For entertainment we've been swimming and skating.

Although there have been a few hard bumps none of them have been serious. Also we have been to one movie "Francis Joins the Wacs". Now we are playing that we have joined the Wac's.

You should see us giving orders to our group. Our poor flower garden is just weeping on account of the dry weather.

We will have a few house flowers for the winter we hope.

Little Lois Allen has come to live with us and we are so good to her.

Something tells us we will have some more little girls to help us play Wac's. It is fun if you don't believe it try it sometime. You will hear from us again.

—Annie Louise Girls

Many New Children

(Continued From Page One)

Tommy Lee King, Audrey Waters, Leon Waters, Larry Waters, Mildred Waters, Shirley Ayers, Mary Louise Ayers, Robert Ayers, Ellen Ayers, and Sammy Coley.

With more boys and girls yet to come it now looks as if the enrollment at Barium Springs will be larger this year than last.

Swimming Pool

(Continued From Page One)

tem as the water enters and no way of purifying the water within the pool makes the state of health unsatisfactory from every standpoint. Each season has brought the dreaded thought of having to close the pool and have no swimming on the campus.

The students decided they had a solution for the problem. One said, "Why can't we start a fund for a swimming pool?" And with that, he reached into his pocket and pulled out a penny and said, Let this be the start." Another said, "Let's organize a committee and get this thing underway." The question arose as to what to call this campaign, and one said, "Why not call it Little Jim's Pool", "that worked real good for the Church." Another said "Where do you get the name "Jim?" and this was answered by pointing to the heaviest man on the football squad, Jim Campbell. So the organization was begun. Icky Austin was given credit for the brain work, Ray Smith made the first contribution, Jim Campbell suggested the name of "Little Jim", and Mirton Cox assumed the chairmanship of the Finance Committee. So, for many days a lot of activity in advertising the swimming pool fund among the students resulted in an intake of about $6.00. A box was placed in the Snack Bar with the original penny on the outside and the suggestion that when purchases were made a contribution be put into the box. Of course, the naming and the organization were some what in jest, but the matter of collecting funds is in dead earnest because the student body wants a swimming pool on the campus. In all probability the Health Department will close us out this year at the end of the season and ask that something definite be done before the pool is reopened. What can be done we do not know for there are no funds available for the erection of a new pool, but the students are willing to continue to work at their swimming pool fund with the full faith that some day a new pool adequate for the campus will be erected at Barium Springs.

Alumni News

Vacations Over

(Continued From Page One)

extra work around the barn had accumulated in their absence. All the others, the girls in the kitchen and the sewing room and the cottages found that the busy days kept them hurrying along. There is a great deal yet to be done before school opens on August 26th. With the fine cooperation of the student body and the leadership of the adults it can be done and be ready for the beginning of school with the ringing of the bell on that day.
